Yell Leaders

The Pep Club of the Junior Agricultural College of Central Arkansas, under the supervision of Mrs. A. Loyd Collins, was organized in October, 1947, A.D.

There were 31 who joined at the first called meeting in the College Library.

The purpose of this organization is to boost our "Minute Men," cheer for them always - willing or loosing; and to promote better feelings between the various colleges. Our main aim is to cultivate sportsmanship - the blessing that always brings a victory, regardless of the score.
